

VA&R **District Mid-Year Report**
Due to Department Chairman – December 15, 2017

Your Mid-Year District report should reflect the program work of the Units in your District supporting the VA&R Program Action Plan. Please share what your Units accomplished by answering the following questions.

1. How did your District participate in the caregiver support program?

2. Describe how members in your District earned their Service to Veterans hours.

3. What assistance did your District give at a stand down in your area? What did your units/District learn about hosting a stand down? What went well, and what would you do differently next time. If your unit/District didn't host but members volunteered what did they learn, could share with another unit/District or do differently next time.

4. Service to Veterans, number of hours volunteered, dollars spent, value of in-kind donations received. Describe services given to veterans.

5. Service to active-duty & reserve military. Number of hours volunteered, dollars spent, value of in-kind donations received. Describe services given to active-duty & reserve military.

6. Service to military & reserve families. Number of hours volunteered, dollars spent, value of in-kind donations received. Describe services given to military & reserve families.

7. Any other support given to veterans, active-duty & reserve military or their families. If so, describe the support given.

8. Describe any District participation in VA&R activities separate from Units in District.

Please share pictures, newspaper articles or any other media on your District activities.
