

## AMERICANISM BULLETIN APRIL 2018

Greetings to all,

End of the Year Report time is upon us. When reporting please remember that every hour and every dollar that we invest adds up. Each small number gets added into the collective numbers. These numbers are reported to The American Legion which includes them in its annual report to Congress. If you aren't sure, giving an estimate is better than not reporting at all. **All that you do matters, whether large or small.**

Things to remember:

- \* Unit Reports are due to District Chairman by **April 15, 2018**
- \* District Reports are due to Department Chairman by **May 2, 2018**
- \* Include a description of your accomplishments in the Americanism Program
- \* I would love to see pictures

We all need to work together to have 100% reporting for our Americanism Program. All that you report will be included in my report to the National Chairman. Let's make California proud.

The deadline for the National Essay Contest is almost here (**April 15, 2018**) and I have not received any entries. If you do have Essay's to enter please send them now.

The Department Essay Contest due date is **April 13, 2018** and I have not received any entry winners from the District Chairmen. You guys are really scaring me.

If there is any way I can help please let me know.

Thank You All.
