

Finance Committee Workshop 2017-2018

Super Hero Family Members,

Hopefully your District and Unit is working on the 2017-2018 budget. As you do so, remember the importance of your donations to Department. It is because of these donations that our organization can continue to operate. Please check the Book of Reports handed out at Convention and see where your unit may be able to increase donations. If your Unit failed to send in donations last year, please, please be sure to get them in this year. Wouldn't it be nice to see your Unit's name without \$0 in those empty places? The "2017-2018" Suggested Donation sheet is being handed out for your information. We encourage the use of this sheet when making donations.

How many treasurers are here today? One of your responsibilities is to get obligations submitted to Department in a timely manner. If you have not included your obligations in your budget, you will need to have the them approved at your meetings.

The finance committee has been named "**Ninja Frogs**" this year. While we may not be waving around weapons, we still need to fill our lily pads. Our lake is full of empty pads, so we need you to use your imagination! Fundraising should be fun and exciting\$ Try to find innovative ways to raise money through your **Ninja** fundraising ideas.

The Department has a balanced budget this year based on the projected income from all of you. Please, don't let the Department down. Send in your donations, place your poppy orders, fundraise, and have a memorable year enjoying all you can do to help make 2018 a successful year\$.

Please feel free to call on us if we can be of service to you.

Yours in Service,

Finance Committee aka **Ninja Frogs**
