Merry Christmas & Happy Holidays

Unit Membership Chairman don't forget your early Christmas present to our District Membership Chairmen your "Membership Mid-Year Report." I am sure it will arrive by our Unicorn date of December 4, 2017. And District Membership Chairmen don't forget my early Christmas present your District Membership Mid-Year Report due to me December 11th. Let us all work together to ensure our reports are on time and show all the hard work we in the Department of California have done with our membership. Don't forget those pictures they are the icing on your report and a quick way to visually show what you have accomplished and who doesn't like to see themselves and our Department on the jumbotron at National Convention 2017-2018.

I would like to congratulate Unit 1, District 8 for being the first Unit in the Department of California to make goal on October 5, 2017. What super powers your Unit Membership Chairman and Unit members have to reach 185.71% of goal. I would also like to congratulate District 8 for being the only District in the Department of California to reach their goal they are at 103.33% as of November 8, 2017. Way to go District 8. We have three other Units at 100% or greater of their goal Unit 249 McFall-Grisham, District 11 at 100% as of 11/15/2017, Unit 110 Oakhurst, District 14 at 107.50% as of 11/18/2017 and Unit 711 Kern River Valley, District 15 at 100% as of 11/22/2017. Thank you all for your hard work gaining membership for our Department.

As an update the Department of California did not make our National goal of no Units with zero (0) membership by October 31st and winning \$1,000. But we have another chance for National's \$500 award for no Units with zero (0) membership by March 17, 2018. We currently have eight Districts with units that have **no membership** as of November 25, 2017. I challenge all Unit members in the following Districts to get out and support your membership chairman in renewing, rejoining and adding new members before our deadline of March 17, 2018. District 1 has 1 Unit, District 4 has 1 Unit, District 5 has 1 Unit, District 10 has 1 Unit, District 14 has 2 Units, District 15 has 1 Unit, District 16 has 1 Unit and District 22 has 1 Unit.
