

MEMBERSHIP JULY BULLETIN

Hello my name is Joan Cannon and I am the Department of California's Membership Chairman for 2017-2018. Department President Loretta's theme this year is "Real Hero's Wear Dog Tag's Not Cape's" with super hero characters we the Membership team are Ironman. We also have an animal mascot and ours is the unicorn.

As Ironman is working for justice for all we will be searching out those that want to join our ranks as American Legion Auxiliary members. We will be flying from north to south and east to west looking for new members. We also want to remember our current members and make sure when they are ready to renew we will be there ready to submit membership forms and fly those membership cards to them in a timely manner. Let's not forget our members that let their membership lapse we can use our unicorn magic to support their rejoin effort.

To help support your Unit we have Area Membership Team, below is each area and which districts they support. If you have problems they along with your District membership chairman are your first line of defense.
