- 6) *Be Proud! Wear your American Legion Auxiliary shirt or pin.*

Community Service continues to be an outreach program. It demonstrates our longstanding commitment to supporting the work of American Legion posts and other organizations in providing assistance with blood drives, first aid and CPR training, child safety programs, support for women in shelters. All community projects point toward improving life for our veterans and their families, and the most important Auxiliary Community Service projects involve making donations to and supporting shelters for homeless veterans.
