

AMERICAN LEGION AUXILIARY
DEPARTMENT OF CALIFORNIA
MUSIC BULLETIN
MARCH 2018

Hello all you “Incredible Hummers”

Since there is no report form for the Music Chairmen, this Bulletin will tell you how to report your activities in this Program.

This Chairman would like to receive from each District Music Chairman a “Narrative” Report, telling us what your Units did to promote Music all year.

Most Units participate in parades, special holiday programs, or other activities that involve Music. REPORT THEM.

Music is a wonderful tool to get people excited about a program or function. It is very hard to be shy or reclusive when music is playing.

Did your Unit visit convalescent homes, Senior Housing Facilities, or your local VA Hospital? If so, did you take music to the residents there? Music can be so uplifting to those who are not able to get out of their facilities. Did you include your JUNIOR MEMBERS? The elderly, in particular, enjoy having the younger ones visit them.

SONG CONTEST: There will be a special prize given at Convention for the best SONG submitted. I have received NO entries at this writing, so put on those Musical Thinking Caps and come up with some original entries. Your song must incorporate the Department President’s Theme, or you may use your particular Program’s Theme. Make sure the words “match” the music, and can be easily sung at convention. My information is listed below. I MUST receive entries no later than June 1, 2018.

Keep Singing!

Music is a moral law. It gives soul to the universe, wings to the mind, flight to the imagination, and charm and gaiety to life and to everything. . . Plato
