**Deadlines for Mid-Year from District Chairman to Department
December 15, 2017**

Hard to believe report time is right around the corner. Just a reminder to Unit and District Children & Youth chairman "Write your report immediately after your Children & Youth activity! Its great way to remember the 5 "W's" - Who, When, What, Why and Where include pictures then email or mail your District Chairman.

It is often said "Today's youth are tomorrow's leaders." Every year, we see examples of youth in the country making a positive difference by doing some pretty amazing things. Like a 7 year old boy who asked his friends to bring care packages items for our troops to his birthday party rather than presents. Or the little girl who donated 10 inches of her hair for the children suffering hair loss due to medical conditions. Acts like these remind us of the power of one person's example. These are our "YOUTH HERO & GOOD DEED award winners.

If your District or Units promoted "Star Spangled Kids", Youth Hero & Good Deed awards, or have a success story regarding support for military or homeless veterans' children? Include a supplement along with your report!

Looking toward reading your stories so I can report "What "YOU" did for our military children and the children in our communities at DEC.
