

American Legion Auxiliary
Department of California
Past Presidents Parley
Bulletin #2 – November 2017

Hello Magical dragons this year, since the last bulletin the Program Action Plan from National has been updated. There is really nothing new, but for the new chairman, like me, I will highlight some important aspects of this program, as stated in the plan. "The purpose of the Past Presidents Parley (PPP) committee is to utilize the experience and knowledge of past Auxiliary leaders for training and encouragement of future Auxiliary leaders. Through the Past Presidents Parley committee, women who have served as unit, department, and national presidents have an opportunity to continue in active service to the Auxiliary, helping ensure strong future leadership for the organization. The Past Presidents Parley also recognizes and honors outstanding unit members through Unit Member of the Year, and female veterans through the Salute to Servicewomen awards"

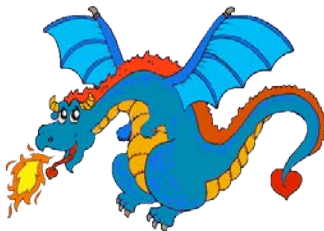

This bulletin I will focus on finding and submitting your Unit's "Unit Member of the Year" – keep your eyes out for likely candidates. We all know her, she is the first to help with any project or program. Or she may be the one to introduce a new project and sees it through to it's finish, and exceeds expectations. Or she may be the one who knits all day or clips coupons, because she may not be able to attend meetings but still wants to work the programs. Please remember, the form to submit this member is on line, but please send to Madam President. She has the honor of selecting this year's member of the year.

National asks, this chairman for a midyear report. So I in turn will ask Units to send reports to their District Chairman, who in turn will send to me.

As always if you have any questions or need forms please do not hesitate to contact me. I will be glad to send you any forms that you need. I am just an email or text or phone call away.

All forms are available at www.calegionaux.org/

Yours in Service,

Harriet Clendenin
