

Hello to all of my Super Tigger s

Community Service Bulletin – October 2017

WOW what a month I'm such a proud Tigger with all of the disasters that have hit this great country of ours so many units have found those special projects to help the victims of the hurricanes that hit Texas and Florida, the fires in Montana and now with the earthquake that hit Mexico. So many units have pounced into action to make sure that nobody is left out.

I heard through the pride that these units have done everything from getting water, clothing, food , etc. and they did not even forget our furry friends they also send pet supplies.

9/11 was a huge successes the Tiggers did everything from take dinner to the fire station and the police station, or inviting them to their local posts to honor them but some units also made goody bags complete with thank you cards.

I do believe that community service is alive and well. This just makes me PUUUUUUUUUUUUUUUUUUUUR

Now things to come, we have October coming up so what would be more fun than having a Halloween party at your Post or maybe going and supporting a community setting such as a church or school. Also do not forget your local nursing homes the residents love it when we bring out cubs into visit.

There is also another day in October that we need to put on our calendar October 28<sup>th</sup> it is Make A Difference Day. There are so many things we can do in our communities, to remember our veterans, our homeless and to just make a stranger smile. I heard of one Unit that buys donuts and hand them out to the homeless, another buys flowers and gives them out. Just one little thought will make big difference in someone's day. Remember you do not have to spend a lot of money it is the thought that counts.

I know that there has been a lot roaring about mid-year and I hope to see all of the pride in Santa Maria. I know that our Lady Bug Loretta will have a lot of fun surprises and who would not want to come to the 16<sup>th</sup> District we really know how party.

I cannot wait to hear all the wonderful things that you are doing in Units and Districts, remember all I would like is a simply report for mid-year nothing formal but this way I can report at mid-year all your accomplishments. I will need all of the Units to send their formal end of year reports by April 4, 2018 to their District Chairman so the District Chairman can send their reports to me by May 1, 2018. Also, please do not forget the pictures, I'm such proud Mama Tigger and I want to share everything we are doing to make each of our communities that best we can. Remember your community is HOME SWEET HOME.

If you need anything please just let me know I'm just a phone call, text message or an email away. You all are amazing and the Super Tiggers of California are the best.

For God and County
