

Leadership Bulletin – October 2017 – DINO NOTES

Hello as I have mention in previous bulletins that since my Super Hero Mascot is the Dinosaur I'm going to be sending out DINO Notes. So here's your DINO note for October.

We had a very successful Leadership workshop on September 17th in District 16 at Camarillo Post 741. But I was thrilled to see District's 14, 20 & 24 in attendance and there were 6 Juniors that attended. We certified 15 and re-certified 8.

I was unable to attend the Department workshop at Rio Linda but am looking forward to attending the one in Oceanside. I have two more confirmed Leadership workshops the first in District 18 – Sunday, October 22, contact is Mindy Sinclair, mindysinclair73@gmail.com and the second one is in District 27 – Saturday, November 4, contact is LuAnn Capazzi, lcapazzi@mchsi.com. Everyone is invited to attend. I am also working with Glenda Schultz – District 6 President to do one after the first of the year. I would love to do more so please contact me and let's see what we can set up.

L – Listen to other members; they have a lot to say also.

E – Ensure respect of others at all times.

A – Adhere to the Constitution and Bylaws of our organization.

D – Deliver the best possible information available.

E – Encourage, encourage, encourage.

R – Respect is the #1 word. Be kind at all times.

S – Share all pertinent paper work given to you.

H – Help others with any problem that may arise.

I – Insuring confidence in others make for a happy team.

P – Prepare all material ahead of time, and make sure you know it.

For your Mid-Year report please send it to me no later than December 10th. It doesn't have to be anything formal just let me know what your Unit/District is doing to promote leadership. I will be contacting all the District Chairman prior to this report date to remind you.

Thank you for all that you are doing to promote good Leadership practices in your Units/Districts. In order to complete our Mission and support our Organization we must keep producing strong leaders. The Department of California is doing an excellent job of doing just this. Hope to see all of you at one of the workshops planned this year. Don't forget to contact me if you would like to have one in your District.
