Renewal notices The following information will be printed on your next year's Dues and Due Notices so it is very important to ensure the information is filled out correctly and returned to the Department Office **NO LATER THAN April 30th**. Whether the same person receives your Unit dues, or the address has not changed, you still **MUST** fill out this form for the **2017** year and return to the Department office. This information is extremely important especially with the new ALAMIS system and the Department office wants to make sure that the information for each Unit is correct. If there is a correction to the recipient of the dues, please notify Department **IMMEDIATELY**. We encourage you to use a *permanent* address such as a PO Box or building address. This would be beneficial to your Unit providing a consistent address from year to year.
