To: Auxiliary Members

Subj: President's Club

Encl: (1) President's Club Application

1. Once again, our organization needs your help to raise funds for the Department General Fund. Due to the current economy and rising operational costs and even though we are constantly looking into ways of cutting expenses while maintaining the high level of support provided by the Department Office to its members, Units and Districts, we must reach out and find ways to increase the level of funding for this account.
2. The President's Club was established eleven years ago specifically to raise funds for the Department General Fund which supports all the administrative costs associated with the operation of our Department Office. 100% of all funds donated except 3-5% to cover costs to administer this Club will be credited to the General Fund. Membership in this Club is open, but not limited to, all members, Units and Districts of the American Legion Auxiliary, Department of California. Donations are tax deductible under Section 501(c)(19) of the Internal Revenue Service Code.
3. Every day each one of us donates to many different and wonderful charitable non-profit organizations and by donating \$25 for the President's Club not only enables you to become a member but you will be making a tremendous difference in the effectiveness of our organization and adding the American Auxiliary, Department of California, as one of the recipients of your in-kind donations.
4. Joining is easy, simply fill out the enclosed application, order form (enclosure 1), make a check payable to the A.L.A., Department of California and earmark it "President's Club", and mail both to the Department Office at the address listed above. Members renew their membership the same way by filling out the application and marking the renewal line. Membership entitles you to a membership card and a very special Italian Charm symbolic of the President's theme and special recognition by the Department President. If you did not get the opportunity to join the Club during the past and would like to purchase previous charms, they are available for the same price while supplies last. All available charms are listed on the President's Club Order Form. Additionally, you may order the Italian charm bracelets and some other very special charms that are available from the Department Office. See enclosure (2) for pricing and ordering information.
5. I want to personally thank each and every one of you for your continued support for all of our wonderful programs and specifically any support you can give to this request will be deeply appreciated and will make a tremendous difference in the operations of our Department.

Sincerely yours,

WENDY O'BRIEN
President
