CONSTITUTION & BYLAWS

Congratulations to our newly elected president Glenda Schultz as well as all the newly appointed Constitution & Bylaws Chairmen for 2023-2024!

As you may know by now, Glenda's theme this year is "United as One" and her motto is "California – the Golden State". Constitution and Bylaws are the documents that guide us on all levels of our Organization; therefore, it is fitting that we will be known as the "State Supreme Court" with the Districts being counties and Units being cities. You are free to name your County or City as you see fit but be creative.

Please review the Department Code as well as other reference material available on the Department Website: [www.calegionaux.org](http://www.calegionaux.org). Familiarize yourselves with proper procedures in regards to District and Unit rewrites and amendments. All Districts and Units MUST use the Model Bylaws provided by the Department Office which is available on the website.

Information regarding which Districts and Units are due for a rewrite or are late will be provided after the Clovis Workshop. Also, if you have any questions or if I can provide assistance feel free to contact me. I will be happy to assist in any way I can.

I look forward to working together, "United as One".
