

Advisor Committee Report  
January 20024  
Linda Workman, Chairman

I would like to introduce the other members of Glenda's Advisory Committee  
Joan Cannon and Kathie Martinez.

Madame President, we would love to thank you for this appointment, as we like nothing better than talking on the phone and ZOOM. We have become sort of a girl gang and love to hear your interesting questions. I hope we have been able to give you the answers you were looking for, which reminds me of a startling revelation we had just last week when we were at the park together.

We were wondering why the frisbee was getting bigger, then it hit us.
