Children and Youth 2024-2025 September

Hello to all the Wonder Woman's

I will tell you I really enjoyed the workshop in Clovis, it was a lot of fun and a great workshop, no matter how many times I have gone I always learn something new. A big shout out to Past department presidents DeeAnn Graham and Kathie Martinez for a great workshop they did the Chairman, and they did amazing job. If you have never been, I would highly recommend it.

At Clovis I handed out packets with the following information:

- 1) Explanation of the Children and Youth program and its purpose
- 2) TFA Instructions
- 3) Military Childs Table Setting Ceremony
- 4) The Youth Hero and Good Deed award- Which you will have to go online to fill out and I hope every unit has at least one.
- 5) I'm a hero buttons which you can go onto the national website to get more copies.
- 6) The official flower of the Military child is the dandelion; I have the explanation in the packets but once you read it you will never forget the meaning of what it means to be a military child.

Please let me know if you would like me to email you a copy.

This month I would like to talk about Hero Back Packs. I know that school has already started but it is never too late to get our Military Children the supplies they need. I would partner with your Education Chairman because we know they are working on the give 10 right now and if they have an in within the schools you can work together to accomplish both missions. Please remember the I'm a Hero 2 stickers. These are stickers or you can make buttons to give to the Military Children of deployed parents. You can go onto the national website to get your copies, or you can just email me as well.

Please this year take a lot of pictures, and I know I get confused also with JPEG, but I know one thing, please do not put pictures into the body of your email, please send the pictures separately.

This year I want to showcase just how many areas of Children and youth we can cover, and this will be easy since we have 28 districts. Like I said in last month's bulletin, please find what works for you and your units and make it happen, remember we are Wonder Woman.

To Quote Wonder woman: We Will Fight for Those Who Cannot Fight for Themselves.

If you have any questions, I'm just a phone call, text message or email away.

September 2024 Bulletin

Hello Fellow Village People!

How is your program going so far? Did you participate in National Night Out? Did you make your pledge to volunteer on the 9/11 National Day of Service and Remembrance? If so, remember to track those hours and share your experiences, stories, and photos with us! Reflecting on these activities helps us learn and grow as a community.

Planning Ahead: Veterans Day and Beyond

Last month, we encouraged you to brainstorm community service ideas for the first half of the year. With Veterans Day fast approaching, now is a great time to start coordinating with local community organizations and planning to participate in parades or community events. Let's come together to honor our veterans and make a meaningful impact in our communities. Here are some ideas to get you started:

- **Organize a Family Resources Picnic for Military Families:** Collaborate with local businesses and organizations to sponsor food and activities. Use this opportunity to provide information about community resources available to military families.
- **Prepare and Deliver Warm Meals to Homeless or Homebound Veterans:** Work with local shelters and food banks to identify veterans who would benefit from a hot meal. Gather a team of volunteers to cook and deliver meals, ensuring to follow any necessary safety protocols.
- **Host a Movie Night at a Local Veterans Affairs Medical Center:** Contact your local VA medical center to arrange a movie night. Coordinate with volunteers to bring snacks, set up a projector, and ensure a welcoming atmosphere for the veterans.
- **Organize a Furniture Donation Drive for Veterans Transitioning into Housing:** Reach out to community members to donate gently used furniture and household items. Partner with local moving companies or volunteers with trucks to collect and deliver donations.
- **Restock the USO Hospitality Room at the Airport:** Coordinate with your local USO chapter to find out what supplies are needed. Organize a collection drive for snacks, toiletries, and reading materials, and arrange a group trip to deliver them.
- **Start a Monthly Visit to Veterans at a Local Senior Center:** Contact local senior centers to schedule regular visits. Plan activities like games, crafts, or just a friendly chat. Bring hygiene supplies, clothes, and other needed items.

Tips for Success:

- **Start Small:** Begin with manageable projects and gradually take on more as you gain experience.
- **Collaborate with Others:** Partner with your American Legion Family, community organizations, and other Auxiliary units to share resources and amplify your impact.
- **Plan Ahead:** Create a timeline and assign tasks to ensure everything runs smoothly.
- **Reflect and Share:** After completing a project, gather your team to discuss what worked well and what could be improved. Share your successes and lessons learned with the rest of The Village.

Remember our theme, "The Village," symbolizes the strength we have when we work together. Let's continue building our village by supporting one another and taking action to improve our communities.

Together, we make a difference. Together, we are "The Village."

DEPARTMENT OF CALIFORNIA
VETERANS AFFAIRS AND REHABILITATION
SEPTEMBER 2024 BULLETIN

Hello Gunnery Sergeants, Staff Sergeants, and Interested Readers!

As we begin the 2024-25 Auxiliary year we need to review the components of the Veterans Affairs and Rehabilitation program for a better understanding of the opportunities available to ALA members in order to effectively work this program.

When speaking about VA&R the question is often asked, what can members do to better serve our veterans? One of the main components of VA&R is **Service to Veterans (Outside of VA Facilities)**. The following information is taken from the ALA National Program Engagement Plan for VA&R and offers many ideas on how the reader can get involved and better serve our national heroes.

- Support veteran caregivers, family members, and survivors in your local community.
 - ✓ Provide a spa day or caregiver day out for community veteran caregivers.
 - ✓ Connect caregivers with outside organizations that offer support, such as the Military and Veteran Caregiver Network.
 - ✓ Offer to sit with a veteran while the caregiver runs errands.
 - ✓ Offer to run errands for a caregiver.
 - ✓ Prepare information for units concerning the needs of caregiver support.
 - ✓ Offer to provide meals, or arrange a meal train for the families of hospitalized or recently deceased veterans.
 - ✓ Connect the families of recently deceased veterans to outside resources to ensure they get the support they need. For example, TAPS or the local service officers.
 - ✓ Contact an American Legion Service Officer at your post and offer to be on the list of people to call when a veteran's family needs help.
- Look for ways in your community to ensure the ever-changing demographics of veterans and their families are supported.
 - ✓ If your area has many working-age veterans or veterans with families:
 - ✓ Take part in a veteran job fair by organizing or working at an informational table.
 - ✓ Promote local veteran-centric job fairs in your community. Support The American Legion by helping host a local job fair at your post home or community center.
 - ✓ Buy school supplies, host a baby shower, or send care packages to veterans' children who are headed to college.
- If your area has older or homebound veterans:

- ✓ Adopt a local veteran — find a veteran in your community who faces loneliness and isolation. Offer care and support, such as morale phone calls, running errands, and ensuring they are receiving proper nutrition.
- ✓ Transportation of veterans to appointments or running errands.
- ✓ Look for Community Veteran Engagement Boards in your area (CVEBs) and provide support in the form of information, donations, or volunteers to the events in your area.
- ✓ Become the catalyst to find needs and encourage members to help veterans in their community.
- ✓ Promote volunteer opportunities in veteran-centric activities in community settings.
- ✓ Utilize websites, newsletters, and other media to promote your events and gain community support.
- ✓ Report your ALA Service to Veterans hours to your unit.

The Auxiliary has many members who are already engaging in one or more of the above suggested tasks but are not reporting the activity to their Unit/ District VA&R Chairmen. **Please remember that ALL of the activities noted above are reportable under this program**, so kindly keep track of your volunteer time, dollars spent, and miles driven, and share them with your Unit/District Chairmen for inclusion in their mid-year and year-end reports.

Other components of the VA&R program will be addressed in future bulletins.

National Security Bulletin 3
September 2024

Hello to all of my Strategic Planning Commissioners. I hope everyone is doing well. This is bulletin #3.

September is National Preparedness Month. It is observed each September to raise awareness about steps individuals, families and communities can take to be ready for disaster and emergencies that could happen at any time. This year's National Preparedness Month theme is Prepare to Protect and highlights how preparing for disaster helps protect everyone you love.

Does your Unit discuss how to prepare for any type of emergencies? We should all be reminded of the little things we take for granted. Check your flashlights and make sure you have an extra set of batteries, have candles in case you have no electricity, update your 1st Aid kit to have plenty of band aids and other medical supplies, have some canned goods to eat in case stores are not available and don't forget to put in a can opener, have enough water available to last at least a week and lastly have an emergency plan to meet somewhere in case you get separated.

Another important date in September is Sunday, September 29, 2024. This is Gold Star Mother's Day. It is intended to recognize and honor those Mothers who have lost a son or daughter in the Service of the U.S. Armed Forces. A Gold Star represents a son or daughter who died while serving in the United States Armed Forces.

If you know a Gold Star Mother, let her know you are thinking of her by sending her a card or flowers.

As I discussed in a prior bulletin, Friday, September 20, 2024, is National POW/MIA Recognition Day. Make time to attend the ceremony.

September 2024 Bulletin**

September is a time of meditation, repentance and seeking forgiveness. September is about refocusing, reflecting and re-evaluating our plans.

The National Convention is over and now our new Auxiliary year of 2024-25 begins. “Show me the right path, O Lord; point out the road for me to follow. Make me to know your ways, O Lord; teach me your paths”

Chaplains, I’ll be contacting you and will also ask you to provide me with Unit Chaplains emails so that we can invite all Chaplains to our Zoom meetings.

Gold Star Mother’s Day is intended to recognize and honor those mothers who have lost a son or daughter while serving in the United States Armed Forces. Gold Star Mother’s Day is remembered on the last Sunday in September each year, which will be Sunday Sept. 29th, 2024. Each year there are open events to express love, sorrow and reverence toward Gold Star mothers and their families. As Auxiliary members let’s try to find a Gold Star Mother’s Day event and attend branded as the American Legion Auxiliary.

Bulletin #2 September 2024

Calling all Clara Bartons to help keep American Beautiful!

Yes, if you are an Auxiliary Emergency Fund (AEF) Chairman you are now one of the very special Clara Bartons. I am not sure how many of you know that Clara Barton founded the Red Cross. It is so apropos that we will be known as the Clara Bartons of the Auxiliary. It will be our job this year to ensure that **ALL** our members know about the AEF program.

The Auxiliary Emergency Fund is a national grant assistance program. A member is eligible if they have been a member in good standing for three years – the past two AND the current year. A member can receive up to \$3,000 in assistance if they have been the victim of an act of nature or other personal crisis.

You **MUST** apply for this grant on-line from National at www.ALForveterans.org/AEF.

Unfortunately, California is known for its devastating fires, torrential rain, floods and mud slides. How can Auxiliary members help? **Members help members** by sending their donations directly to National. There is a beautiful pin available to members who donate \$100.00 or more. You can find the donation form online.

I love the American Legion Auxiliary, and this is the reason I hope I DO NOT hear from you this year regarding the need for AEF assistance.

May God blesses all of you, and may God Bless the U.S.A.

Greeting Auxiliary family,

As we are now underway with this year's programs, I want you to think on how we can better our units. Many times, we believe that our ideas are what is needed in our organization. It's great to have an open mind, but remember, the Auxiliary has Codes for each program. The Code we follow has been approved by the body of this department. DO NOT make changes to your unit, based off your beliefs, we the Auxiliary follow the process that is detailed in the CODE for each Committee/Program.

Therefore, If you are in the mindset of making changes to any of our Codes, ask questions and at the end of the year attend convention specifically the Committee/Program you want to change and address it there. This is how Auxiliary grows and adapts to keep up with today's world.

District Presidents, I left a package along with a "New Member Kit", this kit gives a basic duty for Unit officers and Committees and Programs. It is essential that we all become familiar with our programs and encourage our membership to get involved. Remember we hope each unit will support all our committees. This sometimes is not possible; we can only do our best to try and work all our programs.

Tidbits on our Pillars...

Each of these programs are donations made directly to The Department of California and are reported annually in the "**Book Of Reports**" at convention.

AEF - (Auxiliary Emergency Fund) This fund is strictly for Auxiliary members with two years paid dues.

AMERICANISM –Includes all activities that strengthen American ideals and uphold the principles of democracy

EDUCAITON – Promote quality education for Children and Adults through literacy programs, scholarships, and support education beyond high school. Familiarize yourself with our scholarships

CHILDREN & YOUTH – To promote programs that protect, care and support Children & Youth, especially those of our military and Veterans families.

POPPY –This is a restricted fund and can only be used for Veterans, Monies raised from Poppy funds go directly to our Veterans,

VA&R – To help improve the quality for all Veterans. Get involved with your local VA Hospital.
