Eureka
Gold found in California

Membership, *aka* Human Resources. OUR most valuable commodity. **YOU**, our members- more valuable than **GOLD**.

“California the **Golden** State” makes me think about the **gold** rush days. As we pan for **gold** this year “Members” are our most valuable commodity.

Here are some **GOLDEN NUGGETS**

:

Golden nuggets:

1. Pan now, you can renew your membership.
2. We will be striving to go paperless, so renew and transmit new members online. ***You can do this!***
3. Get a debit card. Did you know you can transmit online? ***You can do this!***
4. We have an amazing membership area team.
 - Area 1 Carolyn Glenn.
 - Area 2 Rebecca Glenny.
 - Area 3 Terry Miller.
 - Area 4 Cassandra Brown.
 - Area 5 Cynthia Mayfeild.
 - Area 6 Yolanda Zuniga.

Their contact information is on the department website calegionaux.org. They can help you with the new process of transmitting through ALAMIS.

You can do this!

5. Have a membership chairman at all your functions with applications. Go for the **GOLD!** remember the 3 R's
 - **Renew, Recruit, Retain**
6. Goal #1 **"The Mother Lode"**, (early bird) 100% by **Veterans Day**, November 11, 2023 posted in ALAMIS by November 13, 2023. (This is how many members you had at close of books in May).
7. Goal # 2 will be December 7th **Pearl Harbor Day**. Let us see who can reach 75%. **You can do it!**
8. 100% by DEC. Friday January 19- Sunday January 21,2024. **You can do it!**
9. Membership goals and reports are on the website.

At convention we were chanting the West is the best, which is the Western Division.

Let us chant:

California the **Golden** State. As California Strikes it rich.

GO FOR THE **GOLD**.

The **Golden** State

United as One
