November  
2023

Are you mentoring in your Unit / District, are you training our future Presidents, are you working to better this organization? I hope the answer to these questions are a resounding YES.

As Past Presidents it is not only our responsibility but our duty to instill upon the members of this organization the vast knowledge we have. Many of us are very “seasoned” (not old) members and we have so much information that we need to pass on.

Take a few minutes at your District and / or Unit meeting and share your information on our programs, make a mini workshop. You would be surprised at how many of our members either do not know or have forgotten how to conduct themselves at meetings, in the public while supporting activities of our Post, Unit and Squadrons, we need to remind them and ourselves what we are all about.

. There is one \$4000.00 scholarship awarded each year to a veteran or a veteran’s wife or husband, widow or widower or a child of a veteran of the World Wars, Korea, Vietnam Conflict, Grenada / Lebanon, Panama and / or Persian Gulf. Have you started promoting our Nurses Scholarship, if not please do. There are many nursing students out there that could use our help

The applications can be found on line to be completed by the students then submitted to an American Legion Auxiliary Unit for sponsorship. Applications may be submitted beginning September 1, 2023 but no later than April 5, 2024. All Applicants MUST follow the rules as outlined on the application, failure to do so will result in the disqualification of the applicant.

We as Past Presidents know the qualities it takes to be a leader, to work with those that have that special something, let’s not let them down.

I am here to help, to offer advice, to encourage, to be here when you need it. Please do not hesitate to reach out.
