American Legion Family Day-April 27, 2024

We are Family – We are Community

This is an opportunity to be creative with activities, food, and displays. A time to bring the Legion Family together and introduce your communities to what you do. Let our communities in on the secret of the many projects and programs we support. Let people know that for over 100 years we have served our veterans and the communities where we live. Plan activities for various age groups. This is a time for the American Legion Family: Legion, Auxiliary, Riders, and Sons to light our light shine bright.

Knowledge is wonderful. Like the GI Joe cartoon always says - Knowing is half the battle.

“We make a living by what we get, but we make a life by what we give.”

Winston Churchill
