Poppy Program
Bulletin

March 2024

Hello Poppy Cultivators,

Poppy Month is quickly approaching. Your Districts and Units should have your plans well under way. Let's set a record for donations collected. Thank you for all you do.

National Poppy Day is Friday, May 24, 2024. There are resources on the National and Department websites for ideas. There is also a Facebook poppy page. Check it out!

Please be sure to submit your Poppy Financial report on time. There is not a lot of time between the end of May and getting all your convention items in to Department.

All updated information on poppy displays, poppy posters and poppy hats is all on the website. If something is not clear or correct, please let me know immediately so I can address it.

I appreciate everyone's patience as I am going through some transitions in my personal life (no health issues). I will be having a new mailing address before the end of the ALA year, so please stay tuned. We sometimes need to accept life on life's terms. Thank you all!

Yours in Service~

Robin
