

American Legion Auxiliary  
Department of California  
Americanism Bulletin  
November 2024

Happy Fall Everyone!

I hope this finds you well. As the weather starts to get colder around our state, our work continues. The Americanism program can be worked every month. As the election season comes to a close, I hope your candidate was triumphant. If not, I hope you will continue to promote Americanism in your area. Now, more than ever, we must stay strong and carry on.

The Americanism essay contest information should have been distributed to the schools. If not, please do so very soon. Educators need time to plan and work it into their curriculums.

As with the other programs, please ensure that your Unit report is to your District counterpart by December 1<sup>st</sup>, the District reports need to be to me by December 15<sup>th</sup>. The Western Division Chairman is waiting for my report as I prepare this bulletin.

As always, please reach out to me if you have any questions about the Americanism program. If I can't answer your question, I will look for the answer.

Yours In Service~
