

Good Day Team,

As many of you are waking, having your coffee, lattes, teas, or have started your busy day I'm positive every individual has a 'Story' and/or experience they'll always remember from 23 years ago today in remembrance to 9/11, whether it's where you were, what you were doing, or who you was with when you heard the news.

As you read this email, and continue on with your day, attending the many events scheduled in remembrance of 9/11, let us continue to keep ALL in prayer throughout the day as we reflect on this day in remembrance of all the lives we lost and their families and friends.

This is a day which will always be embedded in our hearts, souls and spirits!

'We Will 'Never Forget'.

"September 11 is one of our worst days but it brought out the best in us. It unified us as a country and showed our charitable instincts and reminded us of what we stood for and stand for."

Changing gears to Membership:

The numbers for this week are in, as mentioned last week - it's still a bit early however never too early. I've begun to hear some great membership ideas of how Departments will be working the program and 'Leading the Way' to Membership. The **Southern Division** leads us in being 'Rooted' by **EARTH**, however I have no doubt that **FIRE, Western Division** will be hot behind, **WATER, Eastern Division** will flow, **AIR, Central Division** will breeze by and of course before we realize it the **ENERGY** from the **Northwestern Division** will sneak up.

Be sure to take a close peek into the comparison numbers report...it's always very interesting to see how you compare to 'where you stood' last year at this time Challenge ourselves when reviewing this report,

Great work ALL!!!

May God continue Blessing!!
