

Hello Team and Happy Wednesday,

What a start we are having this year.

The Departments are thriving...I can't wait to hear and read all the exciting ideas the Departments are doing to encourage Membership numbers.

Fast approaching and before we realize - our 75% benchmark, Pearl Harbor Day' December 7th, 2024, although the 75% benchmark is a Department award, there are many Units who has successfully attained the Unit award of 100% which is slated for 31 January 2025. Congratulations to ALL Units who have attained 100%....Great, great, great...setting the bar high for everyone to achieve.

Setting short term goals are attainable to reach the long term goals - GREAT Job 100% Units.

Earth - Southern Division 37.46%

Fire - Western Division 34.00%

Air - Central Division 33.80%

Energy - Northwestern Division 33.13%

Water - Eastern Division 28.71%

Just a Thought:

What is your Elevator Speech? Do you have one? Are you prepared to engage with someone about our Fantastic organization of the American Legion Family?....Keep this in mind....

You don't have to know everything about every program....Just a (Tee-Tee) (LOL), about ONE of the programs where you can deliver 'Just enough' information in your conversation to grab the attention of the individual(s) who want to participate and join our awesome Family.

Remember...

Every Voice Counts!!!! Let your voice Be One.

Blessings to All
