Great job everyone - keep up with the hard work, although the overall numbers reflect 39.45% we are **(2154)** less than where we were last year - this is an opportunity to re-engage, regroup, reignite - step back, take a BIG deep breath and push forward again...

We definitely Got This!!! We are ALL in this Together!!!

Let's not forget about our 'North Star'

*"Your North Star" is a **metaphor** that refers to your inner compass, or the part of you that knows your **purpose, passion, and life direction**. It's the driving force behind your thoughts, behaviors, and interactions, **and helps you take more chances in life**.*

***Let's reignite the compass in Finding our North Star, the passion and purpose into 'Why' we do what we do....it's the 'Mission' - Be sure to Have Fun while doing it.***

### ***Just a Thought:***

Great tools at your fingertips - when in a pinch, looking for an answer...look to the **Unit Guidebook**...it's very possible you may find what you are looking for, or better yet learn something

new. Did you also know there is a beautiful '**Welcome**' Membership flyer? (See attached) great for new members.

Talk tomorrow on the 1st Quarterly zoom, please reach out to your Division Chair if you are unable to attend.

Blessing to All
