

The holiday season is upon us, take time for self, family and all those close to you; make an extra effort to reach out to individuals who are in need of a simple 'Hello', or How are you, whether it be by call or text, let's challenge ourselves to make the extra effort.; I've stated in many other messages...it's the simple things that mean so much!

As we continue on the path of Leading the Way to as many Units reaching 100% on or before January 31, 2025, keep in mind every 'single' renewal, rejoin, and new member is one step closer to reaching a goal, whether the goal is a Unit, Department or toward the overall Auxiliary Big Picture, which we are currently sitting at **67.18%**; know that everything flows together; we are ALL in this together.

Keep up the great work....let's all get excited to receive a 100% Unit flag ribbon, what a proud way to represent the awesome work performed.
